“ I was shocked when I read he had passed away. I only knew Bill for a short time but I valued the conversations we had. Especially about basketball. He had a good understanding of the game and he passed that knowledge and passion to his sons. I had the honor and privilege to coach Tony and Brad. Bill always sat in about the same spot on the west side of the gym. I'm sure I will probably look over there any time I come back to CPS and think of him. My deepest sympathy goes out to his wife and children. May God watch over them and comfort them always. Leon Westover
