Elaine was my cousin Dick's beautiful wife. She always was smiling and had the most beautiful eyes. I think that's why Dick fell in love with her is those beautiful eyes. Every year when she came back from Florida she had a new recipe or a new craft and made me several different crafts from her trips there. It was always a surprise. I can't think of a better wife for Dick then Elaine she will be dearly missed by everyone.

Elaine was a rare person, she was given two lives, before her aneurysm and after. She chose to live her life full, to experience all life had to offer.

She was supportive and loving and always creative with new ideas. We were all so lucky to have her in her first and second chance on earth! Her excitement was contagious!

This quarantine was keeping her from what she would say, "I have a lot of living to do."

No love was stronger than hers for her family and friends.

Dick, Terry, Lisa, Sara, Terry Jr., Megan and friends, may your memories last forever and comfort you. Love you all!

She was my grandma Yvonne's dear friend and as of recently we became friends as well. She always had a smile on her face and was always joking. She was awesome to go to karaoke with! She was so fun to be around! She will definitely be missed. I give my condolences to her family.
