“ So sorry to hear of Danny's passing. I worked with him at the Village of Lexington for several years. I have fond memories of his kindness, thoughtfulness and sense of humor. Sending condolences to Bev, his children and his grandchildren. May God wrap His arms around you during this sad time.

“ I met Danny when I worked in a retail store in Detroit about 1975. There was never a dull moment when he was around and we had many laughs together over the years. When my wife and I moved to the Upper Peninsula we lost touch until we moved back down two years ago. We talked on the phone and it was like we were never away. Unfortunately we were supposed to get together again with him and Bev but because of our busy schedule we didn't. That is something I will regret for a long time. Rest In peace Danny and I will never forget the first day we met and how you introduced yourself. Bev and family I am so sorry for your loss. Rich
