“ I met Julius and his dear mother over 20 years ago while on my way to an historical re-enactment I was putting on in Huron City. Going up from Detroit just to visit the shop became a summer event to which we always looked forward. Such very kind souls, both he and his mother...and what a wonderful curiosity shop was The Forestore! My condolences to his entire family. Our loss is heaven's gain. He will be greatly missed.

“ Julius was a longtime proponent and supporter of the Sanilac County Historical Museum and a former Board Member.
As a person we dealt with him and his mother at their Special store in Forester and he was always friendly and informative, willing and able to tell you all he knew about the area and Maritime events.
He will be missed by me, my husband and many others. We send our condolences and say thanks for all he did for us and others.

“ Julius was a wonderful next door neighbor. I'm going to miss him. He loved children as his Mother did. I'd take my daughter in to the store to say hi and look around and Melissa would come out with a bag full of candy given to her by Julius
