Comments

“ Mimi was a good friend of mine for several years during the 1950's. She and Sandy stayed with Marnie during the Summer. I have a lot of good memories playing badminton, going to the lake, making papermache on rainy days, and trips down to the Webster cottage in Lexington Heights. She was a lot of fun and always kept Sandy and I in line if we were about to get in trouble. I was raised across the street from Marnie's so it was convenient. Thanks for the memories and a life well lived.
