“ I'm so sorry to hear that Alex is gone. I've been friends with Alex since we were kids. I haven't talked to him in years but have seen him at McDonald's and the stockyard and didn't have a clue that he was ill. Please accept my sincere sympathy. May he rest in peace. I hope they have an old pickup in heaven, for him to drive.

“ Alex was an extremely knowledgeable and talented man, true to his word. A dear friend to me and an extended member of our family. His visits were welcomed as he always had just a little something to share, sometimes even a joke or two. The Holidays and Grandkids Birthdays, he never missed a one! This man and his friendship can never be replaced or forgotten! Rest in peace my dear friend! One day we will drink coffee together again!
