“ It would be impossible to share everything that's on our hearts -- So many good times with your Mom & Dad! It would be wonderful to be able to pull a video from the cloud and zoom in on specific events where the love and laughter flowed. You can do that, in a way, as you are together, sharing memories -- good ones and eye-rollers. You have our sympathy, love and prayers as you continue this journey.

For every storm, a rainbow
For every tear, a smile
For every care, a promise

For every problem life sends.
A faithful friend to share.

“ Stephanie you have my deepest sympathies . Losing your mom is the hardest . I am so glad Alma and Mom and Betty were able to spend the time together they did during the later years of their lives . Meadow Lanes won't be the same without them .
