“ I am sending love and hugs to the entire family~ My heart is filled with so many happy moments together with mom Westbrook! I remember my first trip home with Holly from CMU and I had to go out to the swinging bridge! Croswell will always hold special memories in my heart. We may have a picture or two. :) And quilting,.... she could make quilts! She will be missed by so many of us.

“ Aunt Anita was my second mom. When I was in disagreement with my own dear mom I would ride my bike to Aunt Anita's house; she would listen and send me home. She taught me how to knit, a calming skill that I use to this day to teach others how to make beautiful things and calm themselves when life is just life. She designed and sewed the miniature brides dress for Holly to wear in our wedding. So many life lessons taught Pass it on.

“ *My favorite memory will always be Thanksgiving. You can pick any year you like. Her family was always what she cherished most, and Thanksgiving at Aunt Nita's, with over 60 people some years, it didn't get any better than that for her. Forever grateful for my "Favorite Mother-in-Law".*
