“ *Ann is my cousin, we played a lot together in our younger days. I am so sorry for your loss. I saw this notice the day after her funeral. Uncle Fred would always drop Ann off at our house to play because we had so many in our family. I am the daughter of Chris & June Schneider in Port Huron. Ann was a lot of fun and so sorry we lost contact when she moved to Lexington. She's in heaven with my sister Careen now, they will have a lot of laughs.*

“ Mom, Growing up we always had something to do, a place to go, or someone was coming over. Never a dull moment. Lots of picnics, pool parties, camping, bon-fires, going to the park, taking rides to Horse Country, drive-ins, sleep overs....ect. You name it we did it. I know in my heart you loved all of us girls and did your best. I am so sorry you had to suffer such an illness, but now you are whole and home with Jesus and with family that you have missed for a long time now. We will see you someday for us, and in a blink of an eye for you. Love, Bec

What Fun it was to be around the excitement of story telling, laughs that never ended, places we went, and the family time our family shared as one together! Ann lit up the room where ever she went! To visualize the times Mom (Shirley) and Ann coming to visit me in Nashville 😂😂 let the fun begin!!!
In memory of Ann, I have tears of joy and a smile that she is in Heaven happy again with the pain left behind her. We all will start our lives together again with her in Heaven, lots of laughter and good times to share. That's how I want to remember this fabulous lady who touched so many lives with joy and happiness! Ann you will always be remembered, never forgotten, always missed!! From my Mom she sends those words!! 🙏 RIP Ann! We love you!! ❤️ 😊
