“ April was truly an angel that walked among the people who came to visit her and Don at Bush's Restaurant, many memories of bringing my Dad in for breakfast and welcomed by her beautiful smile...Prayers and condolences to Don and the family. Courtney Nicholson

“ My prayers for all of April's family. She was a wonderful woman. I met her over 30 years ago, when she worked at Research Credit Union. We stuck up a friendship while I was doing my banking. We lost touch and recently reconnected via FB. I am retiring soon and was planning on visiting her and eating at the restaurant. She was the type of person that left an impression on your heart. After we lost touch I missed her and wondered how her life was going. Happy we reconnected and caught up with our lives.
