

Arthur Gutierrez

April 21, 1929 - May 19, 2024

Arthur Gutierrez, a cherished father, grandfather, great grandfather and friend, passed away peacefully on May 19, 2024, at the age of 95. Born in Texas and a long time resident of Croswell, Michigan, Arthur lived a life marked by devotion to his family, his country, and his community.

He is survived by his siblings, children, grandchildren, and great grandchildren who will all miss his warm presence and sage advice. Arthur is also remembered fondly by his extended family and many friends extending far and wide.

A proud veteran, Arthur served with honor in the Korean War, where he demonstrated extraordinary bravery and was awarded the Purple Heart for his sacrifices. His commitment to his nation remained the cornerstone of his character throughout his life. He retired from Fisher Body and continued to keep busy as a volunteer driver for the Department of Social Services for over 20 years. Arthur had a passion for horse racing that his family all shared in. With values learned from his parents, Arthur was known for his wisdom, kindness, and unwavering spirit. His stories, rich with history and life lessons, were a source of inspiration to many. Arthur always said "I love you" to his family and friends; always appreciated his caregivers; and never tired of giving. His life was a testament to courage, love, and service. He will be deeply missed but forever remembered in the hearts of those who knew and loved him.

In lieu of flowers, the family requests that donations be made to the Arthritis

Foundation, your local hospice association or the Veterans of Foreign Wars (VFW).

“ *My dad, Kenneth Wedge (94 soon to be 95, originally from Cromwell, worked at Grand Trunk, and lives in Marysville) sends his condolences. He had wished to visit him in Port Huron, but cared for my mom before her passing. He sends his fondness, prayers, and condolences to you and your family. He would have attended his funeral, memorial, but car troubles.. My dad served (Korean War, Army) with Art on base and the two would sing every time they ran into each other in the RX and hum some old Hank Snow tunes. I played my dad some songs over the phone as he remembered Art. The Wedge family offers you condolences.*
