“ Thank you Jerry for the fond memories of music and heritage that you helped create at the Bel Air. Often I recall you playing and your sister Maryann signing and wish the moments could be repeated. If there is any backlog at the gates, I'm sure Maryann can sing you through with Danny Boy.

“ So sorry to hear of the passing of your father. I so enjoyed going into the Stone Lodge and listening to him play his banjo and sing. It was just a few months back I sat next to him and we chatted about when we were all younger and all his kids he was so proud of, and all his grandchildren. Will keep you all in my thoughts and prayers.
