“ *one memory i had with Austin was in a class. He would always crack jokes in the middle of class. He just loved putting a smile on everyone's faces. He himself smiled all the time. And i'm giving Austin's family my prayers. You were blessed with the most amazing angel i knew*

“ I've known Austin for a long time maybe since I was in the 5th grade. He was always a great kid and an amazing friend. I remeber last year I had a problem with someone bullying me and he stood right up and told them to stop. He will forever be in my mind. Now while im sadly writing this I give my respects to the Palecki family. I love you Austin!
