“ We were very sorry to hear about Bud and our thoughts are with his family at this very sad time. He was a very kind man and we always enjoyed his company when we visited. We swapped film and music ideas and we sometimes stayed up much later than normal to watch a film with him. He was funny in a funny sort of way. A way that we understood so he made us laugh and smile a lot. We will miss him.

“ Dear Brenda & family
So sorry to hear that Bud has passed away. I know he has been poorly for quite a while but it's always a shock when it actually happens. My thoughts are with you all , as I remember several special times with you both when Derek & I came to visit. We never did get the hang of Pinochle but enjoyed our games of Yahtzee & Canasta. Love Chris & the girls xxxx

“ Dear Brenda and family we are so sad to hear of Bud's passing but now he is at peace. We will remember him with love and making us very welcome when visiting from England. Pinochle will never be the same.
We wish we weren't so many miles away but you have a loving family and wonderful neighbours.
From your loving sister Pat & Brother-in-Law Colin xx

“ *Brenda and family: I wish to convey my sympathies in the loss of Bud. While I realize he has had medical issues for a while, he is finally at peace. I know this does not make it easier on any of you. He was well liked and a very good person. Brenda all I can say is he will be playing cards with mom and dad again. All my love, Lynn*
