“ *She was one-of-a-kind! Strong loving sassy in a bit of a grumpy for it when she wanted to be LOL! I'll never forget all the times we've played in the basement showed us how to make a roast pick strawberries and got in trouble and just plain running around the house going crazy. The Felix the clock cat on her wall in her dining room in all the long talks we've had. So grateful she was there The day my last daughter was born, and my daughter and I got to be there for the last week of her life tears don't even begin to express my sorrow. I will love you forever Aunt bea and I'll see you in Heaven*
