“ My sympathy & prayers to the family in the loss of their loved one. I will pray and say as we have been doing now for centuries: "Eternal rest give to her O Lord, and let perpetual light shine on her. May she rest in peace! May her soul and all the souls of the faithful departed through the mercy of God rest in peace." Fr. Eppenbrock

“ There are no words that can express the void so many of us feel with this loss of such a great person. Her memory will live on through all of us she has touched and taught. Her legacy will continue with each person who shares all of what she so freely gave to us. To continue on, living by her example. For me, that is the best way I know to honor such a loving, beautiful, giving soul. This is not good bye. This is, "till meet again". Betty I know you will be looking over us all. What a blessing to have know you.
