“ *Back in 1975, my brother and his wife lost their perfect first born baby who was born premature. They came up from the city to their hometown to make funeral arrangements for the baby to be buried out of Pomeroy's. Since it was a Sunday, there were no stores opened to purchase an outfit to bury the baby in. My mom called Betty at home, who graciously met my mom at the store so she could buy an outfit for our little angel, who would be shown later that day. My family will never forget that beautiful act of kindness. Only in a small town! God's blessings to her and her family.*

“ *So sorry to the entire Pabst family. Betty was a wonderful lady. I have great memories lasting my lifetime of walking home from school with all the (North End River Rats) as my Dad called us. We would stop at Ben Franklin for a candy or two for the walk home. Always a warm smile and kind words were spoken from Betty. Peace be with her.*

“ Betty was one of the most gracious caring classy women I have ever known. She was one of the very first to welcome us to Croswell. Both John and I send our love to the family at this time. As for me; I have loved her so very much. She was kind and would steer away from speaking ill of anyone even if they had done her wrong. She was such a joy in my life when I was working as caretaker. She and I shared many private moments talking about so many things but the thing she took the most pride and joy in was her family. She loved her family and all the grandkids and great grandkids more than words could ever express. Her eyes would light up and a huge smile cross her face whenever she mentioned any of them. Blessings to you all as you grieve her loss. She touched sooooo many lives over the years. The trace of her good deeds will go on for many many generations. Love, Cindy and John Cristini
