“ I cleaned for Bev for several years. We become wonderful friends. I will forever remember all our chats. She always had an ear to listen, a big heart and if anyone needed help, if it was something she could do, she was there. I loved walking up to her door and hearing her play her piano or hearing her stories about her winter vacations. She loved spending time with her sons and cherished her grandchildren. For many years if she wasn't at home when I came in to clean, in the summer, I knew she was walking up to the store to get the paper or at the lake in her canoe. ❤️ RIP my friend, you will not be forgotten! ❤️😭
