“ Lisa, Our deepest sympathy in your time of sorrow. Psalm 30:5 Weeping may last through the night, but joy comes with the morning. You can always have the peace that you will be together again. Barbara Juan (Countryside F.M.C. Stephen Minister)

“ Your mother was a gifted person who enjoyed photography writing.talking politics,and teaching me how to do stain glass. Being her neighbor has been a privilege. I remember her saying, when they sold us the property," it's not very often you get to pick who is going to be your neighbor." We will miss all the times at their home, when we discussed politics, which always made us laugh. She loved to talk of meeting Bob and working for the Gov't in New Mexico. She was a story teller, so it was only natural for her to become a Writer. We will miss her,
