When we visited with Bonnie and you not so long ago, it was as if so many years had not gone by. But we are glad for the years, trust so many happy moments and memories remain with you.

We cherish the same smile and warm friendship of Bonnie. . . and Harold, as we remember the years. Miles distance aside, we send our heartfelt condolences to your family.

“ *My Aunt Bonnie will always be special to me. So many fond memories of simple times we spent talking about family history, mutual friends, and life, while sitting on the porch looking out at the lake together. She was a lovely person and not a year went by that I didn't get a card in the mail for my birthday, even in my adult years. I'm going to make some "potato chip" cookies in her honor. I remember making them as a child with her and Maria when my sister was born. I will miss you greatly, Aunt Bonnie. Your loving niece, Angie*

“ Aunt Bonnie had a beautiful spirit, and could light up a room with her smile. She is now at peace in God's arms, and probably making party plans. Our prayers are with you ALL, Uncle Harold, Maria, Peter, Noah, and Megan.

“ She was such a special lady. She would always ask about the family when we got together. I'm glad she got to know my cousin Gordy. I think she enjoyed talking to him about the cement boats she saw on the lake. We will miss her.
