“ *I do not know this family but only heard of your loss from the Lakeshore graphics facebook page. I am however a part of the Cros Lex schools and sports family. My heart breaks for all of you, especially his parents for the loss of your son. I know this situation all too well as i lost my son on Sept 21 last year to suicide. He would have been 19 this January 5th. I do not know the circumstances or your son's passing but I sure know the pain that is felt when losing a child. there are no magic words that anyone can share to help your grief become any easier. Just take each day, one minute at a time. As a mom who has 2 younger children also(as well as a 21 yr old) I had to keep moving each day as hard as it was, if not for me then for them. I found comfort in a song from Casting Crowns, Just be held. On days when i felt i was falling apart, the lyrics stated "your world's not falling apart, it's falling into place" I have to trust that better days are ahead, and believe me they are. Just wanted to reach out to you and let you know that you are not alone. My greatest sympathy goes out to you. Jill (mom of Devon Cooper White 1-5-97 - 9-21-2015 currently resting in paradise)*
