“ He took me for rides in his sandrail. Always a blast. "Smitty" also came to one of our company picnics. Now Tim walked on stilts but Brian kept his feet on the ground! Lol. Having served his country, he would speak into it when someone flew a torn or faded flag. Whenever I put up a fresh American flag, I remember his patriotism.

“ So sorry to hear of Brian's death. Memories of when he attended Community Baptist with his family and working in the orchard (Smith's Fruitland). Seems so many years ago. Sympathy and prayers for Dennis and family.

“ I will never forget Brian peaking in my office to show me he was still smiling ❤️ Or calling me just to hear me laugh (so he said). I certainly hope that my laugh brightened his day. RIP my friend ❤️

“ Very sorry to hear that Brian had passed away. Brian graduated with me from Cros Lex in 1976. He was always just such a nice guy. Lots of good memories being in band together. Thinking of all his family and friends with my deepest sympathy.
