“ What a lady! I have such great memories of Mrs. Super from all the time spent hanging out at the house through high school. She was always smiling....well, there may have been a few times she wasn't smiling, but that was to be expected when dealing with some of the antics me and Gary pulled. She was like a second mom. I bet she was a pretty awesome grandma too. My thoughts and prayers go out to you guys!

“ Dear Leo and Family,  
Carol was a very special lady to our Family (Fox). We all enjoyed her company and shared many stories and laughs with her. My children received their first puppy from her dog's litter. She was a great aunt to my nieces and nephew after the loss of their mother and a wonderful sister to Paul. Now they can finally share a beer together.

Our thoughts are with you all,  
John and Carol Goff and Ron Fox
