“ I had the pleasure of working along side her at the retreat center. Learned a lot of cooking tricks. And found out she used to serve me lunch at cros lex. She loved her grandchildren more than anything and will be missed by many. Love to her family and friends.

“ My thoughts and prayers are sent for the family. I volunteered with Carolyn years ago for the CrosLex school district. I considered her a true friend and confidante. She helped me through some very trying times. I always knew when I talked with her that I would get such a sense of relief. Her kind will and thoughtfulness will be missed. Rest In Peace Carolyn. You will be missed. And please Amy, if you or your family need anything don't hesitate to ask.
