“ *I had the opportunity to meet Catherine about 7 years ago when she expressed her desire to visit the homebound in our parish and bring them the Eucharist. Catherine was one of the kindness persons I ever met. She made a deep impression in me and I'll always remember her sweet smile. Even in the last days of her life when I visited her she made an incredible effort to smile and thank me for being there. She'll be greatly missed. May she rest in peace.*
