“ Charlie was such a great friend and teammate to my son Gavin. Being new to Frostick and to the T-Ball team...Charlie always made Gavin feel welcomed and those two were always laughing and having fun. Charlie was definitely one of the strongest and most courageous person I have ever met. Keeping all of Charlie's family and friends in my positive thoughts, always.

“ Charlie was a very special boy. He touched so many lives all around the USA that we can't even imagine. Through prayer chains and social media he made a huge impact on others. Charlie and his family are very dear to my heart his momma was 5 days old when I got to meet her spunky self. Losing a child is not easy to deal with at any age, as we understand this loss. God gave Charlie the best parents, brother, grandparents and family anyone could ask for to care for him while he was here, what a honor. He brought joy and laughter to all who had the privilege of knowing him. Sleep well little man, till we meet again at our resurrection.
