“ Praying for you Butch. I am so sorry that I will not be able to come to the Celebration of Life service. You two were great friends back in High School. Of course our family and the Flannigan's spent a lot of time together when I was growing up.

“ A whole pitcher of ice cream drinks. The laughter the tears from laughing. I will miss our phone calls. But not at 6:30 in the morning. She never learned we were in a different time zone.

“ We were SO SORRY to hear this news! Always enjoyed visiting with Butch and Cheryl and remembering all our card games and hanging out “back in the day”. We recently reconnected with them and love them both. She was a very special person who will be missed by all who knew her. ❤️

“ Cheryl and I met in Gulf Shores AL as neighbors We became great friends. We enjoyed many great experiences together. Cheryl was kind, generous, loving, an outstanding quilter/crafter, cook, card player, confidant and a genuine friend. She and Butch were always there for me during our winter months in Gulf Shores and for our visits together in Crosswell. My heart aches, especially for Butch, her family and friends.

“ Cheryl & I grew up as 2nd cousins in Lexington and attended K - 12 together. She was always grounded in her beliefs and took care of everyone around her. While her presence will be missed, her memories have and will transcend many generations. May her spirit and laughter be with Butch and her children every day.
