“ *If there was only somewhere I could start to explain the place you have in my heart. You were not only a best friend, but a brother I would do anything to defend.*

There is not a day that goes by that you don't come through my mind even if its only to say hi. There is so many memories I cherish with you. I will never let them slip away. I will always keep them fresh and new. I never thought I would have to say goodbye. But brother I guarantee I will see you soon and we will fly high. I miss you so much man. From our wild adventures, smiles, workouts and to every shot we took and we kept going for another and another. I love you brother... And trust me when we meet again. There will be no more goodbyes, our brotherhood will return better then it ever has been. But until then, you stay in my heart and in my mind.. I will never leave our friendship behind.....

I love you Little brother, Dakota man I miss you bro! Rest easy and in peace..

“ *To all the good memories Dakota gave to all that he touched. He was a wonderful person, and he will be sadly missed! To the whole family may God give you peace and comfort and protect you during this very difficult time! During the tough times ahead may God send angels to carry you and comfort you! I am truly sorry for your loss! For me, I will always remember the times I had to shout "Who is here?" without any answer! I will miss that! Or, seeing Dakota in his Jeep in the summer time! Oh Boy!*

My prayers to everyone, so sorry for your loss!

“ God speed my friend. I knew you for only a short time but you touched my life with your kindness. I will never forget you for the rest of my days. I can honestly say, your parents should be proud of the person you became. I can't begin to describe the loss of such a wonderful young man, I looked forward to seeing you as you made every room you were in a brighter place to be in.
