“ Joan and I were saddened to hear of Dale's passing. We were out of town and didn't learn of it until after the memorial service or we would have attended. We got to know Dale primarily thru his children as Joan and I taught all of them at CPS. Great kids usually mean great parents, and Dale and Kathy were no exception. He will be missed.

“ *Dear Family, We had the pleasure of meeting a few weeks ago when he was performing at the 3 Vines North Winery in Lexington. He was a very personable man who we enjoyed talking with. He had a great sense of humor and you could tell he truly embraced life! We enjoyed listening to him sing and play the guitar. A very talented man. We hope your memories of him bring you comfort during this difficult time.*
