“ *David was our neighbor when he got his brain injury. Don did CPR on him in our back yard until my EMS neighbor came over & took over. Little did we know Don would experience the same thing. Jennifer of course was a shirttail relative. So sad for both families. God's grace on you all!*

“ *This is Becky Camm Schultz, The Camm's & the Kettlewell's were very good friends, When Marylou would come home from Florida, the Camm sisters & Joan & Marylou always got together for lunch & then we would drive out to David's to pick blackberries. David was always so welcoming & making sure all of the lanes were cleared for us to pick all those beautiful blackberries. Such a sad story for both of them. Love the Camm Family*
