“ I'm so sorry to hear about Dave's passing. My brother Mike and Dave were very good friends. Dave was with Mike when he passed and was a pallbearer at his funeral. I have fond memories of Dave coming over to our house and spending time with our family. In 2019, I had the chance to reunite with Dave and introduce him to Mike's son, Michael. They stayed connected ever since. My deepest condolences to his family and friends who loved him. He is reunited with his childhood friend. Mike and Dave are together again.

I actually talked to my dad about this guy during his last days. He was one of the people he mentioned wanting to reunite with in heaven. 💕  
Thanks so much for posting this.

“ So sorry to hear about Dave. Lost contact over years with him when I moved to Colorado. He was a good friend of my brother Jeff. Had a lot of fun in our earlier years. He came to mind several times, wondering where he was. Truly sad to hear of his passing. Wishing the family peace and loving memories at this very difficult time.
