“ Aunt Delphine was a special lady whom I loved very much. Growing up, I loved going over to her house and spending overnights with my cousins.

My favorite memories are times in the kitchen, like Aunt Delphine and Grandma Parski making fresh sausage with that old crank grinder attached to the table. Man, that sausage was the best!

And, of course, pancakes. Yum!

Aunt Delphine took care of everyone. She truly was the most patient and kindest woman I have ever known. If ever there was a spot reserved in Heaven for a person, it is for my Aunt Delphine. God Bless.

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Delphine. It is truly humbling to receive memorial donations in honor of Delphine's life. Please be assured of the brother's prayers for the entire Golebiewski family during this great time of grief. May perpetual light shine upon Delphine.

“ Grandma Del was beloved. How could you not love someone who so openly made everyone around her feel loved? The minute you stepped inside her house, all of your worries just washed away. She was kind, generous and told the best stories. Once, I went along for the ride to take her home to Lexington after she'd been visiting. We stopped at 7-11 to grab some coffee for the drive. I paid for mine and was waiting by the door when grandma started to look around for me. When she spotted me with my coffee in hand she asked, "Did you pay for that?" I nodded and she said, "No! Grandma was gonna get it. Don't stress me out!" We couldn't stop laughing. She felt like family to me and I'm going to miss seeing her sweet face at visits and holidays. She was the best. ❤️

“ My Grandma was an Angel on Earth. My favorite person in the whole world. The most Beautiful, Loving, Selfless, Kind, Patient & Wonderful person you could ever know. The bond my Brother & I shared with her (& my Grandpa) growing up was so special & we are better people because of it. I will think of my Grammy every time I see a Cardinal, smell the scent of Gardenia, wear leopard print (our favorite), read my horoscope, have a cup of coffee, or hear You Raise Me Up by Josh Groban & Chances Are by Johnny Mathis amongst many, many other things. I will hold dear the 37 years of memories I was blessed to have. My life without her will never be the same, but I will always feel her Love & I know she will always be with me. I am a part of her & I couldn't be more proud of that. ❤️
