“ Kathy, I was sad to hear about the passing of your Mom. She was a good friend to my parents, George and Marylou Prusik and I am glad they knew each other. She and I exchanged letters every so often after my Mom and Dad passed away and I will miss her.

“ Kathy & family: So sorry to hear about your mom's death. Although I haven't seen her in several years, I have fond memories of her. Enjoyed our visits when we were "neighborhood kids" together & on the township board. Thoughts & prayers are with you. Hoping you have many happy memories to treasure!

“ Kathy and Family. Very sorry for your loss.
I am very glad to have finally met my cousin, your mother back in the fall. I wish the years had not passed by so quickly that there weren't more family gatherings to get together.
Please know that your family means a lot to us.
Your angel is now in heaven watching over you.
