“ Don really showed his true colors when my Uncle Eddie got sick. He called me up and asked me to come do something with him. That something was to go with him and visit my sick uncle, my very sick uncle. When I witnessed how he handled that situation, I was very impressed and always help Don in hi regard. Plus he was fun to smoke cigars and bullshit with.....

“ There is so much you could say about Don....he never met a stranger, he was always ready to help with whatever you needed, a most loving person! It was fun to watch him swing his granddaughter at the neighbors tree swing while she giggled and he spoke softly to her. He will be missed so very much by all who had the privilege of knowing him! Rest In Peace Big Guy! 🙏🏻🤔💜

“ I've known Mr. C and the Corby's for about 20 years. They have been an extended family and it was always a pleasure to catch up with them and throw some horseshoes with Mr. C. Our hearts are broken.
