“ Words alone cannot express my sadness for the family, Alice Ricky and Jimmy and all. You all have my deepest condolences and heart felt feelings, God bless you all. My uncle Don will be missed dearly and nothing will replace him except my memories, thank God for them. He was a great man, father, and husband to my Auntie Alice.

“ Donald washed my scraped up knee and put a bandage on it as if he was my father after I fell while rollerblading in Lexington about 4-years ago. We decided I was too old to rollerblade anymore, that was a good memory for me. My Uncle Don treated me just as if he was my father who died when I was five years old, I thought to myself how nice he was to me. I remember when he let me help him feed the birds with him, and we watched many baseball games together thru the last few years. Memories are sweet, I'll miss him dearly. I donated those rollerblades to the salvation army
Dear Auntie Alice, Ricky, and Jimmie, I'm very sorry for your loss and you are in my prayers. God bless you!

“ Dear family of Donald Greenwell, Mr. Greenwell was my favorite principal at Mark Twain elementary school. He was always upbeat and brought out the best in the children. His smile and enthusiasm lit up the room. He will be dearly missed. Please know that you are in my thoughts and prayers during this very difficult time. Sincerely,
