“ I was one of Todd's high school classmates. I re-connected with him in the 90's for several years and have some fond memories of him. One that stands out is .... While attending a special function that he and I were both involved in, the host was getting ready to speak and waiting for some talking to stop .... I, being one of the talkers ... the host said loudly "Hey, short girl in the pink ... Everyone chuckled, then Todd chimed in "Some things Never Change"! I then joined in with a laugh.

*I know his children, other family members and loved ones will miss him dearly. May your sorrows turn to peace in the days ahead.*

*Prayers to you all.*

*Sherry*
