“ He was not just a grandfather to us, but a source of wisdom, love, and inspiration. The memories we shared will forever live in our hearts, and his legacy will continue to guide us. We are incredibly grateful for the time we had together, and though his physical presence is no longer with us, his spirit will always remain a part of who we are. We miss him deeply, but I find comfort in knowing that his life was one filled with kindness, strength, and the love he so generously gave. Rest in peace, Grandpa Don. You will never be forgotten.
