“ I worked with Donna for the City of Roseville. She was so nice to me as a young police officer in Roseville. The cottage in Lexington that Mr and Mrs Bowman bought, was built by my father and sold to them by my mother. My name is Tom Suminski, I can be reached at suminski21@gmail.com and my cell is 586-601-5543. Donna showed me the property one time when I was in Lexington. I would love to share memories concerning the property, if someone from her family would like to contact me.

“ Was sorry to hear of Donna's passing. The Bowman family lived across the street from mine when I was growing up in Roseville. I was friends with the boys, Paul and David, and knew the girls as well, though less so. I always felt welcome in the Bowman home and spent many hours there, particularly in the summers. My memories of Donna from when I was child are of her being generally cheery and good to all of us neighborhood kids. When I became an adult, I always enjoyed seeing Donna at different functions. She was so proud of her kids and their accomplishments and always interested in hearing about what I was up to. When I lost my spouse a couple of years back, Donna sent me a lovely note, which touched me deeply. Throughout all of the years -- decades, in fact -- she kept in touch with my Mom, which she and I greatly appreciated. The main impression I take from all of this was Donna's generosity of spirit. She was such a good person, a great lady. My sincere condolences to the entire family.
