“ *Donna Mae Gordon, better known as grandma Gordon or GG to my children. So many good words to say about a special lady. From making me sit in the share when I was in trouble, to take me on camping trips, To having a home cooked meal or fresh loaf of homemade bread waiting for me whenever I stop by. She was the backbone of the Gordon family. She was Always there to solve any conflict and always there to take care of the family. She love to take care of grandpa and the whole family and anyone else that she could help. You are going to be greatly missed and we all love you. Rest in peace grandma*

“ It is with sad hearts that we say goodbye to you grandma but we rejoice in God's promise of eternity in heaven through Jesus Christ. Cancer may have destroyed your body but it could not destroy your soul. Because of your life there are stories to be told (Like when you pulled out your grandson's first chest hair at a tender young age.) Because of your cooking many people were fed (Butter edge to edge on sandwiches and who could forget your world famous applesauce. Fresh apples, sugar and... we won't let the secret recipe out.) Because of your faith children, grandchildren and great grandchildren pray. (Dinner time prayer: Dear God, thank you for this food. Help it to nourish our bodies. In Jesus name we pray, Amen.) Your life has touched many. We are thankful for the time we had with you and look forward to seeing you again in eternity.

With Love,
