“ I only met her one time, just a few days ago. She was very kind and was in good spirits. I mentioned that she had an old school radio like my mom had. She told me all about how she got it and all the good music she listened to. My sympathies to all who loved this sweet lady.

“ I thing I remember about your Father and Mother was they always treated you like family and always talked to you no matter what. I am very sorry that I couldn't make it to the funeral but I had told my sister I would take her grocery shopping and that is the day she get's her check. Now she is not suffering anymore and she is with her family members that are in God's hands. God Bless all of you. Love Cecil & Cathy Hurley
