“Dorie! You and I shared a special friendship, thanks to our husbands. Our friendship meant a lot to me. Whenever we spoke on the phone it was always about our children and grandchildren. Then, you became a great-grandmother and you were as happy as always because the “familia” was growing. We’ve shared a lot over the half century! In the beginning it was cooking and you trying to teach me how to make tortillas! We’d talk on the phone and were always reminded of all we shared through the years since first we met. You were always there for me through it all -our lives and our journey through those lives. We exchanged love, encouragement, wisdom, strength, and most of all HOPE. I am so grateful for our friendship! The Saturday before you left you sounded as if you had a cold;but, you always said “I’m ok.” You were more concerned about me contracting that “cosa” going around and I always reassured you “No Dorie, no Covid “! We always ended our calls with “I love you Comadre!” Now, we’re left with the beautiful memories you made for all of us, even me! Dorie!!! I LOVE YOU!!! Until we meet again my beautiful Dorie!!!

“ I have so much to say about my beautiful sister , she was so loving and caring, and a tremendous cook she was always trying to share the clothing that she had , she always bought the most beautiful dresses and looked like a million bucks when she went to dances , and she loved to dance , she loved Mexican music , our family chain is broken once again , and it hurts , always tell the people you love how much they mean to you because you don't know if they will be a tomorrow! She is now in heaven with our Lord and our Holy mother , and walking and dancing with our brother Gilbert , Rest In Peace, Love you forever !
