“ My Grandmother was a strong woman that had a long life on earth. She endured much pain by losing 2 husbands and 2 of her children, however her faith in God remained strong. See you again someday Grandma Brewer!

“ I will miss her dearly, but looking forward to the day when Christ will enter in the clouds of angels around him and call us all up together to meet him in the air. The dead first, then we who are still living to be snatched up in the air to be with him and our loved ones for evermore. That is my hope. Amen.
