“ Dear family of Doug, Recently I had been thinking of Doug and how fun he always was as my manager of Little Texas (Radio Shack). All he and I did was laugh and discuss music. He let me borrow his Guess Who- Greatest Hits CD collection and Rush Greatest Hits. I burned the CDs and every time I listen to them, I was always reminded of Doug. Well, recently, I was going to try to look him up on Facebook, but couldn't remember his last name. Then on Nov 1, I found out the tragic news. Our Little Texas store owner Shirley Wood let me know what happened. I couldn't believe it. Doug will be treasured in my thoughts forever and especially when I listen to the music we both loved. R.I.P. Doug, and may God bless your family and friends. Amy Nielsen
