“ I'm sorry for all my family loss...Edith (my greatgrandma) was a bright spirited person! She was so funny and sassy,i like that the most, always speaking her mind!!! I'm so thankful to have gotten to see her my last visit back to Michigan... I really enjoyed lunch with her and it's helping me cope, some of her last words to me was wanting to be with her son, mother, father, etc... I will always remember and Love her... Till we all see her again, always sweet memories! I Love you all wish i could be there... Alana Myer
