“ I will really miss Eleanor. She love to come to crafts.and she like to garden. She also loved to play games. She was always sweet and polite. The most important thing to her was her family.

“ Eleanor was such a special lady. I had the privilege to get to know her and put many smiles on her face. I got to make her look and feel beautiful. She loved to get her hair done, well, second choice after Bingo. 😊 So happy I was able to be a part of her life. I will miss her cute little smile and just to chat with. Many good memories to hang on to. Loved her ❤️
