We knew Elly and Darlene from the many years we worked together at CPS Schools. They were wonderful people, going the extra mile to help students and new teachers. Elly didn't say much, but we learned that when he did speak it was a good idea to listen. They will be missed.

“ *Ellis was my roommate and fraternity brother at Eastern Michigan University. We lost touch after we graduated in 1962. I have many good memories of him and his wit and humor. I wish we had stayed in touch. Condolences to his family.*
