“ Our family was blessed to come to know Elmer, courtesy of our son, Alec, and Elmer's grandson, Kyle's, friendship. We quickly discovered, that Elmer and Elva, both, were incredibly caring, generous, understanding, and accepting individuals. In other words, in our 'Book of Life,' "Very Good People!" With the passing of Elmer, those who have had the opportunity and privilege to know him, will experience a void. However, without any doubt, he is experiencing existence, without restriction! May the peace of God and the comfort of His Son, be with all of Elmer's family and friends at this time. Know that he has gone to a better place. And, in time, you will all be united together, again!
