“ Childhood friends are always difficult to say goodbye to. We met our core group in North Lakeport where we had our cottage. Morrison's had six kids the same as the Germaine's. We could not wait for the night to come for our bonfires while playing our favorite songs and sipping Boone's Farm wine out of the bottles. Watching the moon dance on Lake Huron along with the many stars in the sky holds so many fond memories for all of us. We thought those days would never end. Fritz would keep the party going with his playfulness, wittiness, and sense of humor. He was well-liked. When we ran into each other at Tally Ho for many years thereafter on weekends, he had a smile to greet you along with a hug!!! North Lakeport was his haven; he will be missed. Rest in Peace old friend. God Bless.
