“ *When I was DS of the Port Huron District, Gale was especially helpful to persons entering ministry who had financial and income tax questions. Also, I was aware of Gale's tremendous support of his wife's call to ministry. His theme in life seemed to be "Brighten the corner where you are!"* ”

“ Where do I begin? I met Gale and his loving family in the early 1990's. We had the extreme pleasure in having his daughter Lori working for us. That was the start of a lasting friendship that developed into a "family" relationship.

Gale has done so many things to help me both in business and personally. Taxes being only a small part of it. Gale was loved by many and he'll be missed by many more. My sincerest condolences to Linda, Lori and the rest of family. God Bless! 🙏🙏🙏🙏  
Eternal rest grant unto him, O Lord, And let perpetual light shine upon him. May he rest in peace. Amen. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

“ Gail was one of my rocks for the last 25 years. I went to him for my taxes while going through a divorce and he has always been there to help me with tax questions, realistic questions, personal questions, and just about everything. He wasn't just our tax guy he was our friend and his concern and hard work ethic was amazing. Gail, now is your time to rest and fly high after your many many years of hard work and helping others

“ Gale has done our taxes for years. He was very sympathetic when I went in to have taxes done after my mom passed away. He always treated his customers with the utmost respect, and often joked with us. Gale will be missed by so many people. My deepest sympathy goes out to his family, friends and co-workers.

“ *Gale and I shared many hunts together as I had always invited him and others to hunt on our farm. Every time I stopped in to see him, he shows me a new handgun he just acquired. I will always remember Gale.*

“ *Seeing Gale every year was like going to see a grandfather or an old friend. He made you feel like you were there just to catch up or share some of his wisdom. He knew your family and remembered details about your personal life, even if you only saw him once a year. He genuinely seemed to care and was a great listener. I will miss him.*

“ Gale was our family's tax guy for two generations. But he was so much more than that. He was a true friend. I looked forward to driving over two hours every year, to have Gale do my taxes, and catch up on life. His stories and wisdom were priceless. I will miss that drive my friend. You will be sorely missed by the Brown family.

To share a laugh or smile with you Mr. Gale (and even a hymn in choir ) was a treat in our heart and soul. You welcomed our family into that little Bethel Church with your graciousness. We are blessed to have met you. Your family is blessed to have and hold you dear in their hearts forever. God Bless you Mr. Gale.

*Our LOVE goes out to Linda and the family....he was an amazing servant warrior for Christ, for his family, for his community, and for those who were blessed to be served by him. If you had Gale in your corner as a friend or tax guy, you knew that a crazy guy in Croswell had your back no matter what! We will always remember three things: how he often taught the IRS how to do their jobs, how proud and how much he loved his family, and his huge, huge, heart for everyone else. Heaven's gain is our loss!*
