“ *God looked around His garden and He found an empty place. he looked down on this earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He only takes the best. He knew you were suffering and that you were in pain. He saw the road was getting rough and the hills were hard to climb. So He closed your weary eyelids and whispered, "Peace be thine". It broke our hearts to lost you but you didnt go alone. For part of us went with you the day God called you home.*
My thought, love and prayers are with you Wendy, Chelsea and Ainsley. God give you strength and healing.

“ I was so sorry to hear that Gordy lost his struggle with cancer. My Father lost the same fight last Thursday. I have chosen to remember the men and their impact on me. My father was also an avid hunter and outdoors man like Gordy. He too helped clear our home cross- country course back in Perry. I will cherish all the time Gordy spent with us clearing Cros-lex's. I remember Mr. Tough Guy looking for Chelsea's lost kitten both day and night. He would have done anything for the women in his life. I am sad for your loss, and blessed to have know Gordy.
